

# Listening Strategies Smash Mat

Have 6 small balls of playdough ready. Ask the child(ren) **to identify and practice**: touch knees, hands in the air, tap head, stomp feet, touch nose, push hands together. Once a child finds the picture s/he was asked to (provide help if needed), label the picture and give the child a ball of playdough to “smash flat” on the picture. \*Provide help finding the picture and label it for the child(ren) if needed. \***Practice each listening activity with the child(ren).**
