

Daphne the Duck Takes Turns.

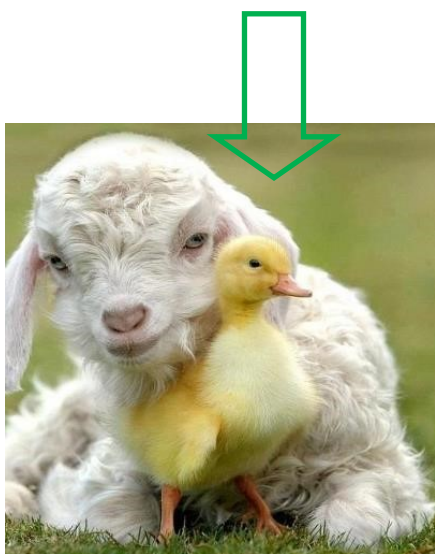

Jennifer Anzin 2021

Daphne the Duck loves playing with her friends, Pedro the pig and Gibran the lamb. They liked doing puzzles, playing ball, using a shape sorter and driving cars down the car ramp. They take turns...

First, Gibran might have a turn. Daphne and Pedro can watch or use a fidget toy, while waiting for their turns.

Then, it's Daphne's turn.

Pedro has a turn with the car ramp, while Daphne, Gibran and their other friends watch too.

Everyone has fun when they take turns!
